Committed to helping develop a new world class fishery, Canyon Club Marina is looking to have a month-long tournament with the same structure as Marlin Month. The boats that did involve themselves with the day-time deep-drop trips in 2018 reported landings of up to 5-8 fish per trip. Register in the ships store on or before October 15.

STRIPED BASS MONTH AT CANYON CLUB MARINA

November 1-30

Striped bass fishing finally peaked around Thanksgiving in 2018, and fish up to 50# were regularly weighed at Canyon Club Marina. Whether chunking up the bay, drifting through the rips, or trolling amongst the whales these bass made fishing well worth the trip when the weather cooled off. Register in the ships store on or before November 1.
